Student Services Fee Committee renamed Student Fee Committee

The Student Services Fee Committee has been renamed the Student Fee Committee. The name change is a result of aligning UNI's fees more closely with the University of Iowa and Iowa State University fee structures in FY16. Identified activities and services will be separated into the Student Activities Fee and the Student Services Fee to provide better clarity to students. The new Student Activities Fee will support student activities, student government and student organizations. The re-purposed Student Services Fee will support Panther Shuttle, Weekend SafeRide and Intercollegiate Athletics.
